INDUSTRIAL SELECTAWIPE - #452PW PERFORATED WIPING ROLLS

PRODUCT DESCRIPTION:

Industrial SelectaWipe rolls have 125 all purpose perforated wipes that are versatile, strong and fast absorbing. This lightweight and absorbent nonwoven fabric is manufactured from a blend of cellulosic and synthetic fibres that is suitable for a range of hard surface and delicate wiping applications. The latex free fabric is soft, highly absorbent and has excellent strength characteristics ensuring its' versatility. An optional dispenser made from anodized aluminum that can be grounded for ESD sensitive areas is available.

Industrial SelectaWipes are ideal for wiping down machinery, tools, workbenches, and anything else you might find on a factory floor or work area. They can be used dry or with various cleaning solvents, and can be used for picking up spills, drying wet parts, or for cleaning and degreasing production parts and equipment. SelectaWipes will absorb water and solvent based fluids, and provide strength and durability, while being soft enough for polishing applications. As easy to use as a roll of paper towels, with the strength and durability of a shop rag, and low surface lint that make them suitable for glass cleaning.

SELECTAWIPES #452PW

TYPICAL PROPERTIES:

BASIS WEIGHT (gsm)	THICKNESS (microns)	DRY TENSILE MD (N/m)	DRY TENSILE CD (N/m)	WET TENSILE MD (N/m)	WET TENSILE CD (N/m)	ABSORPTION CAPACITY %
54	475	1250	700	1000	600	520

PACKAGING:

452PW-9 (9 x 9)	452PW-12 (9 x 12)
ROLLS/CASE	ROLLS/CASE
6	6
