VISION AWARD WINNER
for Best New Product
in the Cleaning Category

February 15, 2005

To: All JNJ Industries Distributors and Customers

Subject: RoHS Lead Free Legislation & Directive 2002/95/EC

This letter is to certify that no JNJ product contains any of the following 6 substances as described in the European Union Directive 2002/95/EC. The substances are:

Lead, mercury, cadmium, hexavalent chromium, polybrominated biphenyl, polybrominated diphenyl ether.

Although the RoHS directive is a European directive, JNJ Industries, being a global supplier of electronic cleaning supplies and products, has elected to comply fully with this directive. To the best of our knowledge, no product sold under the JNJ Industries or GlobalTech® trade names, such as our cleaning chemistries, saturated wipes, dry wipes, metal squeegee blades, polyurethane squeegee blades, or squeegee blade holders contains any of the six (6) ingredients listed in the Directive 200/95/EC.
